DATE OF INCIDENT: 2/21/2013	LOCATION OF INCIDENT:	SIR NUMBER:
TIME OF INCIDENT: 2:20 AM	San Ysidro, CA	(b)(7)(E)

**Synopsis: (cont.):**

On Thursday, February 21, 2013, at approximately 0220 hours, several CBP Officers called over the radio that Tijuana Police had entered U.S. territory and were hitting a vehicle at the end of the queue south of vehicular primary lane (b)(7)(E). Several CBP Officers and Supervisors immediately responded and observed that the driver's side window had been broken but he was still inside the vehicle. The vehicle was turned off and it was located approximately two car-lengths north of the actual border line. Two Tijuana Municipal Police officers were still standing north of the border line.

DAPD (b)(6)(b)(7)(C) approached the male officer, (b)(6)(b)(7)(C) identified by his name tag on his tactical uniform, and asked him why they had entered the U.S. territory. Officer (b)(6)(b)(7)(C) stated that the driver had run through a red stop light and had failed to yield when they were trying to stop him. He stated that they were trying to take him out of the car because he had tried to run over several Tijuana Police officers as he had allegedly ran through five stop lights on his way to the border.

CBP Officer (b)(6)(b)(7)(C), who was assigned to lane (b)(7)(E) at the time of the incident, initially observed that the two Tijuana Police officers were engaged in trying to extract the driver from inside his vehicle while it was still south of the border line and he continued driving north of the border limit.

DAPD (b)(6)(b)(7)(C) asked the officers for their supervisor's name and informed them that CBP's International Liaison Officer (b)(6)(b)(7)(C) would make contact with their superiors to go over the protocols to contact CBP in emergency situations and to assist them in stopping fleeing vehicles. The officers were not aware of the phone numbers to call.

(b)(7)(E) the subject, identified as (b)(6)(b)(7)(C) (DOB: (b)(6)(b)(7)(C)), claimed to be a U.S. citizen.

(b)(7)(E) queried on primary, for being arrested at San Ysidro on October 20, 2012, for a parole violation. He has an extensive criminal history that includes battery, vandalism, being under the influence, possession of a controlled substance, alien smuggling, etc.

Subject was escorted to the security office for a personal search, with negative results for contraband.

(b)(6)(b)(7)(C) that he was under the influence of methamphetamines. Based on (b)(7)(E),

and the fact that he had fled Mexican authorities, endangering the public, California Highway Patrol was

**Synopsis: (cont.):**

On Tuesday April 9, 2013, at 1:07 P.M. Mexicali P.D. made an incursion into the United States just west

of the Calexico, California Port of Entry and approximately 20-25 yards north from the International Boundary. The Mexicali Officers were back in Mexico at 1:09 P.M.

(A)PAIC (b)(6)(b)(7)(C) was informed of this at approximately 2:50 P.M.

(A)DPAIC for (b)(7)(E) was informed at 2:40 P.M.

(A)WC (b)(6)(b)(7)(C) was informed at approximately 2:25 P.M.

Updates to follow.

C-4, operator (b)(6)(b)(7)(C) was contacted and gave us ticket # (b)(7)(E).

CISEN, operator (b)(6)(b)(7)(C) was contacted and gave us ticket # (b)(7)(E).

SBPA (b)(6)(b)(7)(C) and SBPA (b)(6)(b)(7)(C) of the International Liaison Unit (ILU) were contacted at 3:38 P.M. The (ILU) reported that the incident occurred when the Mexican Immigration, Instituto Nacional de Migración Inicio (INAMI) were talking to (b)(6)(b)(7)(C) in Mexico when he took off running north at the Salida of the Calexico West Port of Entry. Two officers on bikes, reportedly with

the Mexicali PD, were assisting a private security guard, who works for (b)(6)(b)(7)(C) (a private contractor for the INAMI - Mexican Immigration) arrest (b)(6)(b)(7)(C) in the US. The private security guard crossed the International Boundary into the United States in order to chase and apprehend the fleeing suspect. The Border Patrol Agent who was watching the area stopped the individual. Before she could

DATE OF INCIDENT: 4/9/2013	LOCATION OF INCIDENT:	SIR NUMBER:
TIME OF INCIDENT: 1:07 PM	Calexico, CA	(b)(7)(E)

Video footage of the Calexico Station RVSS surveillance cameras showed the security guard and the apprehended subject walking back into Mexico. ILU was only able to confirm from the Mexicans officials that the fleeing suspect (b)(6)(b)(7)(C) and the (b)(6)(b)(7)(C) security guard had made entry into the United States.

However, RVSS cameras clearly show four subjects in the US at the same time. The two additional subjects appear to be Mexican Police Officers on bikes (b)(7)(E) quality

(b)(7)(E) A closer review of the video footage regarding the distance of the incursion, it is clear

that the Mexican nationals were as far as (b)(7)(E) yards north into the United States.

ILU is still attempting to confirm information regarding (b)(6)(b)(7)(C) and the identity of the bike officers.

UPDATE TO FOLLOW.

-----UPDATE-----

Per the ILU:

This is the follow up information received by Mexicali PD in regards to the incident:

Mexicali PD had arrested a group of non-Mexican nationals (the reason for their detention is still unknown). That we are aware of, the non-Mexican nationals had not been removed from the United States or had attempted to make entry into the United States. The non-Mexican nationals were then transferred over to the Policia Ministerial del Estado (PME/State Police).

According to information from ILU when PME found out that the subjects in custody were of non-Mexican nationality, they decided to transfer custody of the subjects to (b)(7)(E) so they could be removed from Mexico. When the transfer was taking place, one of the subjects (b)(6)(b)(7)(C) fled north towards the agent deployed at the U.S. vehicle exit, also known as (b)(7)(E), located just west of the Calexico, California West Port of Entry and (b)(7)(E) north of the International Boundary.

On December 3, 2012, at approximately 1505 hours, the Patrol Agent In Charge of the Van Horn Border Patrol Station was notified by the Van Horn Station Sensor Technician that he had downloaded pictures from the station (b)(7)(E) camera (b)(7)(E) on the international boundary. The camera captured what appears to be a Mexican Military incursion on December 2, 2012, at approximately 0920 hours. (b)(7)(E)

(b)(7)(E) SEDENA had informed BBT that they would deploy personnel on the dates that the camera captured the activity. The pictures depict four individuals in military fatigues; two standing on the Mexican side of the international boundary and two on the United States. The Rio Grande River, which demarks the U.S./Mexico international boundary, is currently dry in the area of the incursion. There are no weapons visible in the photographs.

Big Bend Sector Staff was notified. The BBT International Liaison Unit will address the concerns with SEDENA to ensure their personnel are clearly aware of the international boundary.

Today, August 5, 2013, Remote Video Surveillance System, (RVSS), camera operator (b)(6)(b)(7)(C), I-192 was scanning the Chula Vista BP Station's A.O.R in an area know as the (b)(7)(E). This area is located (b)(7)(E) west of the Otay Mesa, California Port of Entry and directly north of the U.S. / Mexico border.

At approximately 11:10a.m. , RVSS reported via bureau radio that three subjects had jumped the international border primary fence and were running west bound. Upon zooming in his camera he noticed that the trailing subject was dressed in what appeared to be a police uniform and carrying some type of long arm weapon. He relayed this information to responding Agents. The three subjects continued running west bound on the north side of the border fence for a few minutes and then all three subjects jumped south back into Mexico. Visual was lost at this time.

Sector International Liaison Unit informed us that they had contacted Tijuana Municipal Police and that

TJPD officers confirmed that there were officers in the area at the time of our report. TJPD stated that the

uniformed officers were carrying long arms and were pursuing multiple subjects. The subjects who jumped

north into the U.S. had just committed a robbery in Mexico.

Chula Vista BP Agents that responded to the area confirmed that they did have visual of an individual wearing a dark blue uniform, a gun belt, and armed with a long arm chasing after two subjects at the time of the report.

**Synopsis: (cont.):**

On January, 15 2013, Tucson Sector Intelligence Unit agents notified Sonoita Station command staff of images taken by a Border Patrol (b)(7)(E) camera that depicted at least two armed individuals who appeared to be Mexican Military soldiers. The (b)(7)(E) camera was deployed north of the 114 Border Monument, (b)(7)(E) north of the International Boundary Fence. The images were captured on December 7, 2012 between 1332 and 1349 hours MST.

Sonoita Station command staff and intelligence agents assessed that the photos appear to be two Mexican Military soldiers who made an armed incursion into the United States. The two individuals were wearing desert camouflage, carrying G3 type rifles and upon closer examination one individual appeared to bear a Mexican Military insignia on his left shoulder.

Sonoita Station International Liaison Unit is consulting with the Tucson Sector Foreign Operations Branch to determine whether the Government of Mexico had personnel in the area at that time.

DATE OF INCIDENT: 7/17/2013	LOCATION OF INCIDENT:	SIR NUMBER:
TIME OF INCIDENT: 6:50 PM	San Luis, AZ	(b)(7)(E)

**Synopsis: (cont.):**

On July 17, 2013, at approximately 1850 hours (MST), Border Patrol Agent (BPA) (b)(6)(b)(7)(C) reported that he and his partner BPA (b)(6)(b)(7)(C) were attempting to apprehend a group of suspected illegal aliens that had previously been spotted by Yuma Sector Radio Communications camera operators near (b)(7)(E) Street west of (b)(7)(E) Road.

While walking the river trail west of the (b)(7)(E) Road BPA (b)(6)(b)(7)(C) heard approximately four to five gunshots fired towards his direction. The gunshots were described as individual non-successive shots. BPA (b)(6)(b)(7)(C) immediately concealed himself in the brush and the gunshots ceased. BPA (b)(6)(b)(7)(C) then began to move east to leave the area and heard approximately four to five more shots fired towards his direction. BPA (b)(6)(b)(7)(C) called Yuma Sector Communication to do a safety check on BPA (b)(6)(b)(7)(C) who had moved into a position south of BPA (b)(6)(b)(7)(C). BPA (b)(6)(b)(7)(C) was confirmed safe and unharmed.

Supervisory Border Patrol Agent (SBPA) (b)(6)(b)(7)(C) was already on scene assisting with the attempted apprehension and was positioned just north of BPA (b)(6)(b)(7)(C) and BPA (b)(6)(b)(7)(C). SBPA (b)(6)(b)(7)(C) reported that the gunshots sounded like they were fired over their heads, possibly as suppressive fire by the illegal aliens, or lookouts assisting the group, to deter the Border Patrol Agents away from the area.

SBPA (b)(6)(b)(7)(C) reported that the shots sounded like a small caliber weapon similar to a .22 caliber. SBPA

(b)(6)(b)(7)(C) also stated that the shots were individual discharges, and did occur in two distinct groupings of gunshots.

Agents are still on scene attempting to locate subjects and evidence of the shooting. The International

Liaison Unit (ILU) responded; SEDENA and SSP are assisting.

Watch Commander (b)(6)(b)(7)(C), FOS (b)(6)(b)(7)(C) and (b)(6)(b)(7)(C) were in the area with members of the

Yuma Sector International Liaison Unit when they saw two units from the Policia Estatal Investigadora

(PEI) approach their location. These units were marked vehicles with emergency lights, which were responding to a call for back up put out by the Yuma Border Patrol Station through the C4 radio

The area can be easily mistaken due to the characteristics of the tactical infrastructure put in place. (b)(7)(E)

The Mexican law enforcement agents (4 total) were clearly identified as members of the aforementioned law enforcement agency by our members of the International Liaison Unit. The encounter was very brief and occurred within ¼ mile from the International Boundary. The Chain of Command was notified and it was determined that these international partners would be escorted back to the border by ILU and Border Patrol Agents. At approximately 2115 ILU and Border Patrol Agents witnessed the departure of the aforementioned Mexican law enforcement vehicles with all of its occupants.
SBPA (b)(6)(b)(7)(C) (ILU) advised that he would meet with the Commander of the Policia Estatal Investigadora (PEI) in order to brief them about the boundary limits in the San Luis, Arizona area.
A RECON III was deployed in the area, and Border Patrol Agents maintained surveillance in the area. Members of the Yuma Sector BORTAC team were also deployed in the area.
On July 18, 2013, at approximately 0030 hours, BORTAC cleared the area. At approximately 0100 hours, no arrests were made and normal operations have resumed.

The officers continued north entering the Leon Wasteway (Spillway) from the river apron. This area is in Zone (b)(7)(E) of the El Paso Station Area of Responsibility.
GPS Coordinates: (b)(7)(E)
The agent notified El Paso Station Remote Video Surveillance (RVSS) Camera Control Operators and requested additional agents and a supervisor respond to the location. An El Paso Station supervisor and several El Paso agents arrived on scene and observed multiple Mexican law enforcement vehicles and personnel on the Mexico side of the river. There were also a large crowd of unidentified people gathering on the Mexico side of the river some of which appeared to be Mexican media personnel. (b)(7)(E) agents had the three Ciudad Juarez Municipal Police Officers detained at the Leon Wasteway. The officers stated that they were in pursuit of suspects from Mexico who had shot and killed one of their officers. The agents advised the officers that they were in the United States and after disarming them, placed them under arrest without incident. The officers were completely cooperative and at no time was there any confrontation. The officers were transported to the U.S. Border Patrol Paso Del Norte Processing Center (PDT) for processing.
At PDT, the officers stated that they had "tunnel vision" as they searched for the suspects. They were told by a citizen in Mexico that the subjects had run towards the United States side of the river. The officers mistakenly believed that the suspects had entered the Leon Wasteway which is why they entered the United States.
RVSS Camera Control Operators reviewed camera footage from the (b)(7)(E) camera system and at no time did they see the Mexico suspects enter the United States. An El Paso Border Patrol Station Agent stated that prior to the Mexican police officers entering the United States he observed a brown sedan stop along the Mexico river levee and a subject exiting the vehicle, running down to the river and tossing something into the heavy brush in the river bottom. The vehicle then fled the scene before Mexican police officers arrived. The agent did not see what the suspect tossed into the river bottom but it was believed that it was possibly a firearm that was used in the shooting in Mexico.
Border Patrol Agents conducted an extensive search of the United States side of the river bottom while Mexican law enforcement officers searched the Mexico side. An OFO K9 handler responded to the scene to assist with the search as well as Mexican law enforcement officers with metal detectors. All search efforts were negative.
The three Mexico police officers that were apprehended in the United States were in possession of their full duty gear to include (1) AR15 rifle and (3) Beretta 9 mm pistols.
The officers were fingerprinted and enrolled into the (b)(7)(E) systems and are currently being processed. All criminal checks on the officers were negative. Immigration checks revealed that two of the officers have United States Border Crossing Cards.

On June 5, 2014 at approximately 6:45 p.m. a Clint Station Border Patrol Agent pulled over a (b)(7)(E) vehicle that was called out by an agent operating a Mobile Surveillance System (MSS). During the vehicle stop, the female driver notified the agent that her husband had been shot in Mexico. At about 6:46 p.m. after the initial contact with the female driver, agents called out approximately 20 Mexican law enforcement officers approaching the International Boundary. Agents in the area responded and encountered 4 Chihuahua State Police Officers (Fiscalia General Del Estado) illegally in the United States. The 4 Mexican law enforcement officers crossed with 3 long arms and 4 pistols into U.S. soil and were subsequently arrested and taken into custody along with the weapons without incident. At approximately 7:22 p.m. agents encountered 2 subjects, a USC that was suffering from a gunshot wound to the foot and a Mexican national illegally in the U.S. EMS was notified and arrived on scene, the gunshot victim and the Mexican UDA male suffering from dehydration were taken to Del Sol Medical Center for medical treatment.

<b>Synopsis: (cont.):</b>	
SIR: Foreign Government/Official Incursion (b)(7)(E)	
<p>- At approximately 1210 hours on September 3, 2014, Border Patrol Agent (b)(6)(b)(7)(C) was assigned to (b)(7)(E) in El Cajon Station's area of responsibility near Tecate, California. This location is approximately .5 miles east of the Tecate, California Port of Entry. At approximately 1215 hours, BPA (b)(6)(b)(7)(C) saw an individual jump over the United States - Mexico International Border fence approximately 150 yards east of his location. The subject was very close to the fence so BPA (b)(6)(b)(7)(C) called another Agent to assist in the apprehension of the subject. As Agents were getting closer, BPA (b)(6)(b)(7)(C) noticed a Tecate Municipal Police Officer waving to the Agents from the south side of the border fence, in Mexico. The Officer then jumped north over the landing mat border fence and continued to chase the subject that had just crossed into the United States. As Agents arrived in the vicinity, BPA (b)(6)(b)(7)(C) encountered two Tecate Municipal Police Officers and the subject that had crossed initially, approximately 50 yards north of the border fence.</p>	
<p>- The initial subject, later identified as (b)(6)(b)(7)(C), was interviewed by BPA (b)(6)(b)(7)(C) in which he determined that the subject was from Mexico, did not possess any immigration documents, and that he had crossed into the United States illegally. (b)(6)(b)(7)(C) was transported to the Forrest Gate Processing Facility for processing; disposition pending.</p>	
<p>- While interviewing the two Tecate Municipal Police Officers at the scene, they stated that the subject had been harassing vehicles on the Mexican side of the border as they waited in line to enter the United States through the Tecate Port of Entry.. Both Tecate Police Officers were in blue Mexican government issued Tecate Municipal Police uniforms with loaded firearms. No weapons were drawn or displayed at any point in time. Both officer's weapons were secured and they were both transported to the Tecate Port of Entry to be interviewed by SDC FOB. In an interview with SDC FOB, the police officers stated that they had arrested the subject before for assault but the subject had served his jail time associated with that event. Both officers remain at the Tecate POE at this time pending disposition.</p>

Update to follow.
Update:
As agents were parked on the north side of the border, they observed 6 GoM law enforcement helicopters flying in to the area of the Represito Ranch from South. The four agents were in two marked Border Patrol vehicles and one unmarked when they observed one of the helicopters fly directly north and cross the US/Mexico border approximately 100 yards north. One uniformed agent exited his vehicle and stood at the side of the door. The helicopter then made a turn and as it was headed back south, the agents heard two gunshots being fired and the agents outside his vehicle saw them impact the ground approximately 15 yards from where he was at. The Helicopter immediately turned back south into Mexico and landed south of the border at the Respesito Ranch where GoM police exited the aircraft.
A total of 5 GoM officers from PGR-SIEDO, Policia Federal Ministerial, and Policia Estatal walked to the US/Mexico border fence to the area that the agents that had been fired upon were parked. They immediately engaged the agents in conversation and began to apologize for the mistake that occurred in which one of their officers had accidentally fired upon the Border Patrol vehicles. The PGR-SIEDO officers then advised that they had just reported the incident up the chain to the main PGR office in Mexico City, DF. Mexico.
The GoM Officers (b)(7)(E) reported Seizing 7 clandestine illicit communications repeaters that were at the time operational. They also arrested 4 care takers involved in criminal activity at the ranch. Two of the four were charged as Principals in the ongoing illegal activity encountered at the ranch by GOM. GoM also arrested approximately 60 additional subjects staging at the ranch to illegally enter the US. Of the 60 suspects, they believed at least 20 were OTMs.
In addition to talking to the GoM Officers at the Border, Foreign Operations Branch Assistant Chief Patrol Agent (b)(6)(b)(7)(C) telephonically contacted PGR-SIEDO Prosecutor (b)(6)(b)(7)(C) who was the PGR-SIEDO lead coordinator for the Mexican (b)(7)(E) He asked for further details on why the agents were fired upon and name of person they he incident been reported to in the PGR-SIEDO chain of

command. PGR-SIEDO (b)(6)(b)(7)(C) apologized for the incident and stated that at this time the incident was forwarded up the PGR chain of command for review.

TIME OF INCIDENT: 8:53 AM	Sasabe, AZ	(b)(7)(E)

**Synopsis: (cont.):**

On January 26, 2014, at approximately 0853 hours MST, the (b)(7)(E) operator Border Patrol Agent (BPA) (b)(6)(b)(7)(C) had a visual of two subjects entering the United States approximately 2.5 miles west of the Sasabe Port of Entry. BPA Agent (b)(6)(b)(7)(C) responded to the area and reported subjects appearing to be Mexican Military personnel approximately 50 yards north of the International Border. At 0920 hours, BPA (b)(6)(b)(7)(C) stated he positively identified the two individuals in tan digital camouflage uniforms, on foot traveling westbound, on the United States side of the International Boundary Fence Line.

Upon initial contact, both parties drew their weapons and once BPA (b)(6)(b)(7)(C) started to communicate, the subjects relented from their draw as well as BPA (b)(6)(b)(7)(C). Both individuals were carrying G3 long arms and identified themselves as members of the Mexican Military's 80th Battalion. BPA (b)(6)(b)(7)(C) identified himself as a Border Patrol Agent and they provided the following names: (b)(6)(b)(7)(C) and (b)(6)(b)(7)(C) (b)(6)(b)(7)(C) BPA (b)(6)(b)(7)(C) stated that the name-tapes on their military uniforms did not coincide with the names provided. (b)(6)(b)(7)(C) name-tape read (b)(6)(b)(7)(C), and (b)(6)(b)(7)(C) name-tape was partially covered showing the letters (b)(6)(b)(7)(C). The military personnel stated that they had been pursuing three subjects that were seen in the area. BPA (b)(6)(b)(7)(C) stated that the personnel did not make any threatening statements, gestures, or actions once they realized who BPA (b)(6)(b)(7)(C) was.

At approximately 0926, Supervisory Border Patrol Agent (SBPA) (b)(6)(b)(7)(C) from the Tucson Station International Liaison Unit was contacted and apprised of the situation. SBPA (b)(6)(b)(7)(C) attempted to make contact with the headquarters of SEDENA 45th Military Zone in Nogales, Sonora, Mexico who cover the Sasabe, Sonora area where the incursion occurred. A voice message was left at that office.

At approximately 0928, both Mexican Military personnel turned southbound after they saw other units westbound toward BPA (b)(6)(b)(7)(C).

At approximately 0935 hours, BPA (b)(6)(b)(7)(C) stated that both military personnel had crossed back into

Mexico.

<b>Synopsis: (cont.):</b>
Final Update:
<p>The El Paso Sector Border Patrol International Liaison Unit was able to establish communication with Mexican Military Officials, who confirmed multiple military officers had crossed the US/Mexico International Boundary. They stated this was due to a newly deployed unit who was not familiar with the area.</p>
Original:
<p>On July 12, 2015, at approximately 1115hrs, an agent patrolling approximately 150-200 yards west of Border Safety Initiative (BSI) marker 83 in Zone (b)(7)(E) of the Clint Station Area of Responsibility, encountered 6 subjects walking north from the Rio Grande River, the International Boundary between the United States and Mexico. The subjects were carrying long arms and were dressed in tan military type uniforms, similar to the Mexican military. South of the Rio Grande were two tan pickup trucks, similar to the type used by the Mexican military. The agent immediately stopped his vehicle, exited, and verbally commanded the subjects to stop. The six subjects immediately returned to Mexico, by crossing the Rio Grande River.</p>
<p>The agent remained on the levee road, which is approximately 40-50 yards north of the Rio Grande River, and advised what appeared to be a Sergeant, that if they crossed into the United States that they would be placed under arrest. The suspected sergeant said he was sorry and all subjects entered the two vehicles and left the area. The trucks travelled a short distance east along the river then south towards the interior of Mexico.</p>
<p>At no time was the Border Patrol agent engaged in a confrontation and all communication was made from a distance.</p>

On 07/12/2015, at about 0040 hours, a Border Patrol Agent working on the south levee of the Tijuana River Channel noticed an individual climb over the Border Fence at an area known as (b)(6)(b)(7)(C). He then started running westbound along the fence. Following him were two individuals in law enforcement uniforms. Later identified as Tijuana Police officers, they followed the initial subject in a foot pursuit. This action continued for approximately 300 yards on the immediate north side of the Primary Border Fence. The BPA witnessing this requested backup at the scene and several units responded. One of these agent was able to apprehend and restrain the subject just west of an area known as the (b)(7)(E). At the time of apprehension, all involved parties were only a few yards north of the Border Fence.		
The Tijuana PD officers at the scene relayed that the subject in custody had been involved in a homicide just south of the Ensenada Highway which runs east-west along the south side of the border. According to the TJPd, the homicide in question took place just a few minutes prior and the subject had been armed with a handgun at one point. Upon apprehension, the subject was not armed. A search along the fence where the foot pursuit had taken place revealed no weapons. The subject had no apparent physical injuries except a slight abrasion on the back of his head. He was displaying symptoms consistent with someone under the influence of drugs and appeared to be drifting in and out of consciousness. In such a state, agents were initially unable to get any biographical information from him.		
The TJPd officers at the scene and several more on the immediate south side of the Border fence again relayed that the subject had been involved in a homicide in Mexico. They were informed that we (USBP) would retain custody of the subject and pending criminal checks and medical clearance, possible repatriation could be arranged through the International Liaison Unit.		
Due to his medical/physical state, EMS Personnel were requested. They arrived on scene at about 0120 hours. At about 0145 hours, they transported the subject to (b)(6)(b)(7)(C) Medical Center, Hillcrest. Two agents were sent to accompany. Initial diagnosis is that the subject has no physical injuries but possesses Chrystal Meth and heroin in his system. Pending further medical checks, release later today (07/12) is planned.		
During the incident, three TJPd officers were physically present in the U.S. They were identified as:

TIME OF INCIDENT: 7:35 PM	San Diego, California	(b)(7)(E)

<b>Synopsis: (cont.):</b>
On August 27, 2015, at approximately 1935, two uniformed Mexican Federal Policemen crossed the International Border on foot into the United States. The incident occurred one half mile west of the San Ysidro Port of Entry in San Diego, California. The location of the incursion is known as the (b)(6)(b)(7)(C) and is in the Imperial Beach Station area of operations. The International Boundary at this location is marked by a wide yellow line painted on the concrete levee apron.
The two Mexican Federal Policemen, each carrying a side arm and long rifle entered the U.S. and walked 100 yards north along top of the levee apron before returning back to Mexico and out of sight of agents. Shortly thereafter, a marked Mexican Federal Police pick-up truck with two officers arrived near the location where the incursion occurred and were contacted by a Border Patrol supervisor.
